

2022 VAX UP COMPETITION application

CHECK FOR ELIGIBILITY AND REVIEW PARTICIPATION RULES

After you or your student-team has created a (no longer than) 60-second video, upload the student video to your IG account and TAG **@CAAASA_Comp**etition. You must also fill out an **application plus release forms** at CAAASA.ORG website. Only one application per student or team.

1. The application is open to high school video students affiliated with the participating high schools. Students must be composed of one or more student and require the signature of a high school teacher, counselor or administrator.
2. Students must produce original video content specifically for this opportunity. **All actors** who appear in the video must sign a release form. Submitted videos **should not exceed 60 seconds**. We reserve the right to disqualify submissions exceeding 60 seconds at our own discretion.

JUDGING AND EVALUATION

In evaluating the applicants' videos, judges will be looking for content that makes a strong connection to the topic, captures and keeps the viewer's attention.
